## **Seriously Delinquent Taxpayers in the City of Houston**

The City of Houston has authorized the publication of the following list of individuals and businesses that are delinquent in the payment of their City of Houston property taxes. The following list contains the taxpayers with the largest delinquencies, including penalties and interest calculated through March 2006. Every attempt has been made to identify taxpayers who are currently challenging their property values with the Harris County Appraisal District and exclude them from this list. In addition, taxpayers who have been granted "Over 65" or "Disability" exemptions have been excluded. In addition to City of Houston taxes, these taxpayers may also owe taxes to Harris County and a school district. To research tax accounts online, visit the website of Paul Bettencourt, Tax Assessor-Collector at <a href="www.hctax.net">www.hctax.net</a>. To make payment, please contact the law firm of Linebarger Goggan Blair & Sampson, LLP at 713-844-3561. For questions regarding valuation, contact the Harris County Appraisal District at 713-957-7800.
